

**NEW!**

# Modular Advantage™ Mini Golf

*Looks & Feels Like a  
Concrete Course with  
Easier Install & Less Cost!*

You're going to love our NEW Modular Advantage™ Mini Golf system because it uses the latest technology to give you the look and feel of a permanent concrete course with faster, less costly installation, less maintenance and options for 4,000, 4,800 or 5,400 square feet of playing surface!

Interlocking, Contour-Ready Panel System

- Interlocking flexible, patented panels offer speedy installation
- 5-year panel warranty with long-term life expectancy
- Will not crack or shift affecting playability
- Able to be moved to other locations
- Efficient for renovation programs
- Owner-installed option available
- Experienced crews have been installing panel systems for more than 10 years

Contact us today to discover all the advantages that will make your facility more attractive and profitable!
